

[Choose color]

[refresh page]

[stroke weight]

[Spray stroke]

[Fill color]

[Eraser]

undo
redo

* One button alternate between Images

* Press Button to create image to start drawing

[Control Music]

// Background Color : white

// Music Name : soft Sounds

* Buttons have sound effects *

Extra : might replace color palette with
Extra : I am going to try adding a shape creator
Section

* Maybe dropdown menu for stroke weight

[Hoping to put a Enter game Screen]
